Converged Communication Systems

Dear Steve and Kevin:

The success of the events hosted by the Young Nonprofit Professionals Network (YNPN) Chicago would not be possible if it weren't for our sponsors. Converged Communication Systems has been a proud and generous supporter of YNPN Chicago for the past year. The supportive partnership offered by Converged has included valuable contributions of donated money, the use of technology equipment, and valuable staff time. Your entire team has been a pleasure to work with and YNPN Chicago sincerely appreciates the support.

Because of the support and donations from Converged Communication Systems, YNPN Chicago can continue to host seminars, networking events, service opportunities, and fundraisers for the entire Chicago nonprofit community. We appreciate the support from Converged Communication Systems and are looking forward to fostering and continuing our partnership!

Sincerely,

Tatiana Garrett
