*Providing food for hungry people while
striving to end hunger in our community*

Dear Friends at Converged Communication Systems,

On behalf of the Greater Chicago Food Depository, we would like to thank you for your contribution of \$1,000.00 made through CANstruction Chicago 2011. Your gift will help to ensure that nearly 60,000 pounds of food will feed the 678,000 hungry men, women and children who rely on the Food Depository each year. The 19 teams building the sculptures have worked hard to make CANstruction a success, and because of you, these builds were made possible.

Your generosity helps us to distribute high quality food through our network of 650 member partners across Cook County. It sends over 2,000 meals each day to children at our Kids' Cafes. And it supports our food rescue efforts, which pick up perishable food every day across Cook County and distribute it directly to families in need. I cannot thank you enough for making sure that everyone in our community has healthy food to eat.

Once again, thank you for your support of this amazing event. We applaud your efforts to fight hunger in our community and look forward to a continued partnership in the fight against hunger.

Sincerely,

Kate R. Maehr
Executive Director
